

Lianhe Global Won DMI Award for 2025 "Best Rating Agency of the Year"

Hong Kong, February 3rd, 2025 — Lianhe Ratings Global Limited ("Lianhe Global" or the "Company") has been named the **"Best Rating Agency of the Year (CN)"** at the "2025 China Offshore Bond Institution of the Year," hosted by the bond market intelligence platform **Dealing Matrix International** ("DMI") developed by CSCI Technology Co., Ltd. Since the award's inception in 2021, Lianhe Global has claimed this honor four times over the past five years, which fully demonstrates its long-standing expertise in the field of Chinese offshore bond rating. This recognition is a tribute to the Company's achievements over the past year and an affirmation of its long-term commitment to driving industry advancement and innovation. Looking ahead, Lianhe Global will continue to deepen its professional research, adhere to the principles of independence, objectivity and impartiality, and work with all stakeholders to contribute its wisdom and strength to the further development of the global financial markets.

About Lianhe Global

Lianhe Global was founded in 2017 in Hong Kong and is a wholly-owned subsidiary of China Lianhe Credit Rating Co., Ltd. ("Lianhe Ratings"). As the international credit rating arm of the Lianhe company group, Lianhe Global is a Type 10 license holder approved by the Hong Kong Securities and Futures Commission to provide credit rating services. As of the latest update, the Company had rated about 300 entities and 200 debt instruments, with a total rated amounts exceeding USD 40 billion equivalent. Lianhe Global serves over 13,000 international market participants, including more than 8,000 Chinese offshore debt investors. The Company has been recognized as the Best Chinese international rating agency by various leading domestic and international financial media, including Euromoney, Finance Asia, The Asset, Corporate Treasurer, Wind, and Wall Street Trader APP. Lianhe Global is committed to enhancing the international competitiveness of Chinese rating agencies and to providing independent, objective, fair, and forward-looking rating services to facilitate the international debt financing activities between Chinese enterprises and global investors.

About Dealing Matrix International

Dealing Matrix International ("DMI") is a Chinese leading market intelligence platform with a focus on the Asian bond market, including Chinese offshore market. DMI is dedicated to building an offshore bond ecosystem and promoting innovation in the application of financial technology in the bond market through data collaboration, investor events, and technological exploration. The awards event serves as an industry forum which fosters the healthy and sustainable development of Chinese offshore bond market. As a financial market intelligence exchange platform linking the domestic and international bond markets, DMI leverages its professional research capabilities and expertise in the bond market to eliminate information asymmetry and help promote the internationalization of Chinese bond market.
